COMSAE Phase 2****NATIONAL BOARD OF OSTEOPATHIC MEDICAL EXAMINERS, INC.****COMPREHENSIVE OSTEOPATHIC MEDICAL SELF-ASSESSMENT EXAMINATION PHASE 2****PERFORMANCE PROFILE REPORT**

Name: Kathryn Markham  
 Test Date: 5/25/2023  
 Form Code: BSA107  
 Standard Score: 372

Comprehensive Osteopathic Medical Self-Assessment Examination (COMSAE) Phase 2 is a tool that can be used by examinees to assess areas of relative strength and weakness in relation to content areas (i.e., disciplines, competency domains, and clinical presentations). The standard score shown above reflects the examinee's overall performance on this COMSAE.

The performance profiles below provide information on an examinee's performance with respect to each discipline (e.g., family medicine), competency domain (e.g., osteopathic patient care and procedural skills), and clinical presentation (e.g., musculoskeletal system). The examinee may use the profiles to assess his/her areas of relative strength and weakness. The middle of the bar indicates the examinee's subscore, and the width of the bar reflects the level of measurement precision (i.e., narrower bars reflect greater precision).

Performance bars in the center correspond to average performance. Performance bars positioned on the left correspond to lower performance, and performance bars on the right correspond to higher performance.
