COMLEX-USA Level 2-CE Performance Profile

The Comprehensive Osteopathic Medical Licensing Examination (COMLEX-USA) is an examination series required for all applicants for osteopathic licensure in the United States. COMLEX-USA consists of three levels; passing Level 2-Cognitive Examination (CE) indicates that the candidate has demonstrated competence in the clinical sciences and osteopathic principles and related physician competency domains for osteopathic medical care of patients as required to enter into graduate medical education settings and to continue lifelong learning. Your results from the **COMLEX-USA Level 2-CE** are reported below.

Result:	Score:
FAIL	**334**

Passing Score of 400

Low Performance — High Performance

- ■ Your Score
- ▢ Mean Score of First-Time Takers Who Passed
- ▢ Mean Score of All Takers
- ⊢ Standard Deviation

Result: The result indicates the pass/fail decision based on your examination performance. Passing COMLEX-USA Level 2-CE is solely based on achieving a standard score of 400 or higher. The standard score of 400 reflects the minimum passing level recommended by the NBOME for the COMLEX-USA Level 2-CE. Individual licensing authorities may accept the recommended COMLEX-USA passing level or may set an alternate minimum passing level for their own jurisdictions.

Score: The 3-digit standard score is derived from the total score (number correct on traditional multiple-choice questions).

The chart compares your performance to the mean standard score of first-time test-takers who passed the Level 2-CE examination and the mean standard score of all test-takers.
